

Scott E. Lehman

Corporate Secretary & Engineering

Mr. Lehman has provided consulting engineering services for Pure Cycle since 1996. He was hired as a fulltime employee in January 2003. He is responsible for all phases of planning and designing of the water and wastewater systems as well as the development of terms and conditions for service agreements. He is the operator in charge for Pure Cycle's water and wastewater facilities. Mr. Lehman acts as Corporate Secretary of Pure Cycle and also serves on the board of the Range view Metropolitan District. He received a Bachelor of Science Degree in Civil Engineering from the University of Colorado at Boulder (1978) and a Masters of Science Degree in Environmental Engineering from Stanford University (1981).
