Forward-Looking Statements

This interview contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are all statements, other than statements of historical facts, included in this press release that address activities, events or developments that we expect or anticipate will or may occur in the future, such as statements about the approximate number of new connections of single family homes, duplex homes and multifamily apartments, and the estimated number of acres of commercial, retail and industrial development at Sky Ranch. Factors that could cause actual results to differ from projected results include, without limitation, delays in obtaining required governmental approvals; unexpected costs and delays in completing finished lots; the demand for housing in the Denver metropolitan area; the risk factors discussed in Part I, Item 1A of our most recent Annual Report on Form 10-K; and those factors discussed from time to time in our press releases, public statements and documents filed or furnished with the U.S. Securities and Exchange Commission. Except as required by law, we disclaim any obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
